Name _____ Per _____

Examples of Propaganda

Propaganda is the use of images or words (or both) to make people think a certain way or feel a certain way, in order to affect their behavior. Take a look at each example of propaganda, decide which category or categories it falls into, and then explain why.

#	Type(s) of propaganda this is (Namecalling, Glittering Generalities, Testimonial, Transfer, Bandwagon, Common Man, or Card Stacking)--*you can pick more than one*	Why you made this claim
