Seniors, a school-wide policy has been implemented for second semester and is immediately in effect. This policy states that any senior with ten or more unexcused absences during the second semester will not be allowed to participate in graduation exercises/ceremony as well as senior prom.

The purpose of this policy is to provide a proactive means of increasing our school's graduation and attendance rates. This also prepares you for real-world expectations regarding your attendance in future schools and/or employment.

Please sign the bottom portion of this form and return it to your English teacher. Your signature verifies that you were notified of this policy. We will also communicate this policy through school messenger and Twitter. Please discuss this important policy with your parents and/or guardians.

Sincerely,

Mr. Rick Powell, Principal
