

We've made a few changes to our dress code effective immediately for the 2016-2017 school year.

CISD appreciates the support of the Board of Trustees approving these changes. The purpose is to allow more ease in selections for the parent and more flexibility for the student. Three main changes and takeaways include:

- Logos on tops will be allowed as long as they are not offensive in nature.
- Corduroy bottoms are allowed if all other guidelines are followed.
- Logos will be allowed on outerwear as long as they are not offensive in nature.

As with any new changes, we anticipate that there will be some questions about specific items of clothing. Your school principal will contact you in the coming weeks to let you know days when the school will be open to approve specific items of clothing. This will give you the opportunity to bring your clothing into the school and have them approved (or not) by your administrator.
