BHS Student in Good Standing Information

Purpose

To encourage a student who is experiencing difficulties and problems to change and or improve in all aspects of his or her life. To give a student an opportunity to define his or her purpose and reasons for pursuing an education, recommit his or her effort for learning, and redeem his or her reputation for being a good person.

Philosophy

For a variety of reasons a student sometimes makes wrong choices, poor decisions, and displays contrary behavior. A student who experiences problems and difficulties usually has not developed a foundation of beliefs as to the value of an education and why good behavior is important to succeed. A student must believe that he or she has an opportunity to improve and become a better person.

Buckhorn High School recognizes that a student needs advice, counseling, and encouragement to set realistic educational and behavioral goals and may also need incentives to change. BHS is committed to providing these opportunities to build the character, values, and self-confidence for every student who genuinely wants to improve his or her situation.

The student must realize that success ultimately occurs as a result of making the right choices and good decisions, developing cooperative and positive relationships with others, and focusing on obtaining purposeful and meaningful goals.

Loss of Good Standing Status

The student's loss of Good Standing occurs when his or her actions or behaviors fall in three main categories:

1. Discipline
 - a. Suspended out of school (OSS) or assigned to PACE during the current school year
 - b. Assigned to In-School suspension (ISS) for more than two separate incidents.
 - c. Skipping of any kind
2. Punctuality / Attendance
 - a. Accrues five (5) or more unexcused absences in a school year
 - b. Accrues five (5) or more unexcused tardies in a semester
 - i. Unexcused Tardy – Arriving to school any time after 8:30 without a valid excuse
3. Outstanding Debt
 - a. Owes BHS money or anything of monetary value

Privileges Denied as a Result of Loss of Good Standing Status

- Extracurricular/Club participation and events including, but not limited to, Field Trips, Pep Rallies, and Dances, including Prom (**Note:** Good standing must be regained by March 1 to attend Prom)

- Athletic participation and events and all Senior activities.
- School-wide elections and honors such as, but not limited to, class office, club or organization office, class favorite, team captain, homecoming court, student of the month, etc.
- Student may not be allowed to leave the classroom during instructional time without an escort. This will be determined by the administrative committee.

Procedure

A student who becomes ineligible to participate in school activities including field trips, dances, and extracurricular and athletic participation and events may be able to earn back specific privileges. It is the student's responsibility to take the initiative to secure and fulfill the requirements of this opportunity. The student will meet with an administrative committee who will outline specific requirements, set the conditions and standards for success, and determine if the student has met the requirements in order for privileges to be reinstated. Requirements will be assigned on a case by case basis with considerations given to the category in which the negative actions or behavior falls and the severity of said actions or behaviors. A student with school debt and an otherwise outstanding history of behavior will not be treated the same as a student with a history of misbehavior committing a Class III offense. The minimum requirements for reinstatement in each category are:

1. Discipline

- Complete the Student in Good Standing Contract and acquire parent signature.
- Meet with his or her Counselor periodically as determined by the Counselor/Admin Committee
 - Complete Student Self-Assessment and generate an individual Mission Statement
 - A Plan of Action will be discussed to attain goals.
 - Specific requirements to regain Good Standing will be outlined
 - Progress will be monitored
- Student in Good Standing Teacher Reports
 - The student must have at least four (4) of his or her teachers to complete this form.
- Once sufficient evidence of improvement has been attained, the counselor will arrange a date and time the Administrative Committee will meet with the student.

2. Punctuality / Attendance

- Complete the Student in Good Standing Contract and acquire parent signature.
- Student in Good Standing Teacher Reports
 - The student must have a minimum of four (4) of his or teachers to complete this form.
- Complete Student Self-Assessment and generate an individual Mission Statement

- Student will schedule a meeting with the Attendance Administrator at the conclusion of scheduled timeframe to re-instate Good Standing.
